There's no substitute for the complex and distinct flavors you can achieve by smoking your food, but using a traditional smoker requires a lot of space and money. There wasn't a quick, convenient way to smoke foods indoors...until now!

Master foods like brisket, ribs, chicken, seafood, or even appetizers like stuffed mushrooms and smoky hummus, all from the comfort of your kitchen. Explore new tastes and make smoking a tradition in your home - not just outside it.

T he KitchenQue $^{\scriptscriptstyle{\mathrm{M}}}$ Stovetop Smoker gives you the opportunity to smoke food indoors as you would on your grill or in a conventional smoker. Compatible with most stovetops, the smoker reaches 400°F (204°C) to smoke and cook food at the same time, or if you prefer, cook your food separately and place it in the smoker for a finishing touch. The KitchenQue™is easy to set up and most parts are dishwasher safe.

- · Compatible with most stovetops including NG/Propane, Electric, and Induction
- Reaches 400°F (204°C) for simultaneous smoking and cooking
- · Drip tray opening allows for refilling with InstaSmoke® after smoking starts

Pizza Outdoors

- Authentic, wood-fired taste!
- Harness the high heat of the grill to emulate a traditional pizza oven

A - Perfect Pizza™ Grilling Stone – CC1800

This stone withstands and maximizes the intense heat of your grill's direct flame. Steady, even heat allows for easy cooking of pizzas that might otherwise be challenging, such as heavily topped pizzas. This two-piece, interlocking stone seals air inside its hollow center which circulates and disperses heat more evenly to the stone's surface. The result is an evenly heated stone free of problematic hot spots or a completely overheated stone, which burns crusts before the toppings are adequately cooked. The Perfect Pizza Grilling Stone produces a perfectly cooked crust, every time. Stones require no seasoning or conditioning. Stone also works well in the oven.

B - Pizza Grilling Kit for Kettle Grills - CC1804

Replicate a traditional wood-burning pizza oven using your charcoal grill! The PizzaQue® Pizza Grilling Kit for Kettle Grills converts your grill into the perfect pizza oven in just minutes. The kit is fast and easy to install, and will allow your grill to reach cooking temperatures up to 900°F. The pizza stone within the kit absorbs and evenly distributes heat, eliminating hot spots. Your pizzas will cook quickly, evenly, and with that great smoky, authentic flavor. Includes a folding aluminum pizza peel to easily transport pizzas to and from your grill.

C - Set of 4 Square Pizza Stones—CC1802

Perfect for the flexibility you want on the grill, this set comes with 4 stones for making mini pizzas, or put them together to make a full sized pie.

Each square stone is 7.5 in.

D - Cast Iron Pizza Pan - CC1805

Cast iron is a staple for pizza-making and this pan is the perfect size for making a pizza on the grill. Cast iron enables more heat transfer, perfect for crispier crusts. 14.4 in diameter

PizzaQue®

Fire Baked for Authentic Flavor

Pizza Grilling Kit for Gas Grills 😲

Harness the high heat of your gas grill to cook pizza outdoors! This pizza stone and steel hood set will transform your gas grill into a pizza-making machine. The ThermaBond® stone absorbs and radiates heat to grill a crispy, evenly-cooked crust. The steel hood traps and reflects heat down onto the top of your pie so that your toppings are done at the same time as your crust. Ventilation holes in the hood allow moisture to escape so pizzas are never soggy. This kit includes a folding pizza peel with comfort grip handle, making it a breeze to transport pizzas to the grill and to retrieve them when they're finished cooking.

Better Than Table Salt

- Food prepared on salt plates take on subtle mineral flavor
- Our line features new salt shapes and accessories to make any meal gourmet

A - Himalayan Salt Bowl - CC6693

The Salt Bowl is full of trace minerals that will add a new depth of flavor to your food whether it is served hot or cold. The bowl will add a beautiful and elegant look to your dinner table.

B - Salt Mortar & Pestle – CC6539

Crush, grind, and mix spices or pastes with this Himalayan Salt Mortar and Pestle set! You can use this mortar and pestle as you would any other to prepare seasonings or condiments for your meals – but this 100% salt set will also add subtle salt flavor to your food. Use the mortar chilled as a serving bowl for salsa, aioli or guacamole; use hot for queso, caramel dip, or chocolate fondue.

C - Salt Cone - CC6068

This cone and holder set harnesses the cooking power of solid salt: by preheating your cone and then placing your chicken over it, the heat retained by the cone will help to cook your chicken, all while imparting a subtle, salty flavor.

D - Salt Plate - Rectangular - CC6036

Our largest plate; works well for searing vegetables or proteins. Two may be used to cook a chicken in between for a fantastic alternative to "chicken under a brick."

E - Himalayan Salt Plate Scrubber Brush - CC4108

Keep your Himalayan Salt Plate in prime condition for grilling and serving with the Salt Plate Scrubber Brush. The hand-held scrubber has nylon bristles to gently clean the surface of the salt plate, and a stainless steel blade to remove baked-on food bits or glaze.

F - Salt Plate Press with Silicone Band - CC5158

Get a handle on your Himalayan Salt Plate and make it easy to maneuver! This Salt Plate Press wraps around a plate of solid Himalayan salt (sold separately), giving you a firm hold as you use it to press proteins on the grill.

Let's Smoke!

- · Get delicious smoky flavor, even from your gas grill
- Great variety of flavors and styles: wood chips, pellets, planks, and more!
- Fantastic tools to make the most of every grill style

A - Smoking Wood Planks-CC6044, CC6045

Grilling on all natural wood planks infuses food with the subtle flavor of the smoked wood and helps food retain moisture for tender results every time. Our planks pair wonderfully with pork, salmon, trout, shellfish and even cheeses or poultry. Works best with indirect grilling. Available in Alder, Cedar, Hickory & Maple. 11.75 in. x 5.25 in.

B - Cast Iron Smoker / Humidifier - CC4107

This dual smoker & humidifier can accommodate liquids and wood chips or pellets for delicious, succulent foods! The even heat of the cast iron heats the liquid in its reservoir, creating steam that permeates the food on the grill. The open perforated platform holds your wood chips or pellets and allows for easy refills. 6 in. x 4 in. x 2 in.

C - 3-Tier Plank Rack with Cedar Planks – CC6072

With this 3-tier plank rack, you'll be able to cook multiple dishes at once, saving space on your grill while adding flavor! Cook up to three planks full of food on your grill, adding moisture and flavor for tender results every time. This rack also makes for an impressive presentation when used to serve at the table.

D - Cast Iron Gas Grill V-Smoker Box - CC4133

Add flavor and moisture to your foods as you grill; simply fill the box with pre-soaked wood chips or pellets and get grilling! Smoke and moisture vapor will emerge from the lid's perforations and make your food flavorful and tender. This V-Shaped Smoker Box fits between flame deflector bars on gas grills, positioning smoke right beneath grill grates for the most intense flavor. The box also works as a traditional smoker box sitting directly on grates. The durable cast iron construction is ideal for repeated uses. 7.1 in. x 4.2 in. x 2.4 in. Wood chips sold separately.

E - Rectangular Smoker Box with Lid – CC3021

Gas grills are considered by many to be the most convenient way to grill, but unfortunately this usually means giving up great smoky flavor. This stainless steel smoker box allows you to add back that wonderful flavor! As the grill heats up, your pre-soaked wood chips begin to smolder and smoke, releasing moisture and flavor into the cooking environment.

Grill Station®

The Grill Station* includes four essential pieces in the set to keep raw and cooked food separate while grilling. One large tray is clearly marked RAW while the other is marked COOKED to eliminate confusion and cross-contamination. Lid fits both food trays. The tool caddy tray hooks to the food tray edge for use, and fits inside tray for compact storage.

Ridges on the inside of the food trays allow for liquids to flow freely for even marinating. Tray contents and date can be labeled with a dry-erase pen for convenience.

Easy Grilling

- Easy to use, easy to clean, easy to take on the go
- Perfect for camping or at the park
- · Keep food tender and moist and prevent buildup on grill grates
- Heat resistant to 600°F (316°C)
- Durable and reusable

FLEX Grill Sheets™ (§)

The Charcoal Companion® FLEX Grill Sheets™ open up a range of possibilities on the grill. Cooking directly on grill grates can dry out food and drain its natural juices. With FLEX Grill Sheets™, steak, chicken, pork and seafood retain moisture and stay tender. Durable and heat resistant to 600°F, the sheets come in a set of different shapes and sizes and are reusable many times. Also perfect for veggies, pizza, crab cakes and even wet food like pancakes and eggs which would otherwise slide through grates. Clean up is simple; once the sheets have cooled, place them in the top rack of the dishwasher or wipe them down with a damp cloth. The sheets also prevent buildup on grill grates so more time is spent grilling rather than cleaning the grill.

A - Stainless Taco Rack - CC1992

Build and warm tacos on the grill with this handy taco rack. It's an excellent way to melt the cheese and then add cold toppings before eating. The open mesh-like design provides perfect exposure for even heating but prevents bits from falling through. Sturdy stainless steel construction also means this rack is dishwasher safe for easy clean up.

14.24 in. x 4.72 in. x 3.15 in.

B - Stainless Pepper Roasting Rack - CC3100

This large-capacity rack holds peppers upright so cheese and other ingredients stay inside the peppers while grilling. Perfect for making grilled jalapeño poppers for large parties. Can also be used in the oven on a baking sheet. 8.9 in. x 1.7 in.

C - Stainless Steel Drumstick & Wing Grilling Rack - Folding - CC3125

Grilling chicken wings and drumsticks is a healthier alternative to deep-frying. Thread your legs and wings into this stainless steel rack for quick cooking; the rack folds for easy storage when you're done. Grill up to 8 large chicken drumsticks or wings or use it in the oven. Open dimensions 10.6 in. \times 6.2 in. \times 7.5 in. Folded dimensions 8.4 in. \times 8.2 in. \times 2.95 in.

D - Reversible Rib & Roasting Rack – CC3096 & CC3001

Two racks in one! One side is indispensable for larger cuts of meat like roasts or small turkeys. Flip it over and grill six full slabs of ribs upright, saving space on the grill for other food. Air and smoke circulate around food for more even cooking and smokier flavor. Available in stainless steel or non-stick. 9.75 in. x 13 in.

E - Non-Stick Pepper Rack & Corer Set – CC3106

This rack can hold 18 jalapeño peppers or chicken drumettes upright. Corer is stainless steel with hardwood handle and rack is non-stick for easy cleaning. The special pepper rack and corer set makes preparing stuffed jalapeños easy. Corer not pictured.

Grilling Essentials

- Grids allow for smaller foods to be prepared without falling through the grill grates
- Perfect for fish, or smaller seafood and veggies
- Perforated grid allows more flame, heat, and smoke to come in contact with foods

A - Porcelain Perforated Fish Grid - CC3141

Prepare all your favorite food on the grill – even smaller food that would otherwise fall through grill grates! The Porcelain Perforated Fish Grid conducts high heat to cook your fish, scallops, shrimp and other seafood, but is lightweight and easy to clean. The grid's perforations allow juices to drain and also create temperature zones, with the middle of the grid getting the hottest. Food should be placed in the middle for searing and closer to edges if less heat is preferred.

B - Non-Stick Mesh Grill Sheets – CC4143

Grill your next meal with ease! Non-Stick Mesh Grill Sheets are the ideal grilling buddies. Food stays securely on the sheet during grilling, and the nonstick material allows for easy removal of food afterwards. Smoke flows through the mesh design to impart flavor onto your meat, veggies, fish, shrimp, bacon, wings and more.

C - Non-Stick Mesh Grill Bags — CC4141, CC4142

Food stays securely inside the bag during grilling, and the nonstick material allows for easy removal of food afterwards. Smoke flows through the mesh design to impart flavor onto your meat, veggies, fish, shrimp, bacon, wings and more. The flexible mesh material is heat-safe to 600°F (316°C) and reusable time and time again. Grilling food in the bag instead of directly on grates also reduces clean up after your cookout. Dishwasher safe. Small 9.45 in. x 5.5 in. Medium 10.6 in. x 8.7 in.

D - Non-Stick Perforated Grilling Pan – CC3127

This porcelain-coated steel grill pan resists sticking, and perforations allow for heat and smoke to reach your food while liquids drain out. A long (13 in.) handle keeps you away from the heat so that your cookout is an even more pleasant experience.

Skewer Innovation

- We've got you covered for prep grilling and searing
- A full range of shapes, finishes, and sizes
- For savory kebabs or sweet s'mores

A - Stainless Steel Flat Skewers - CC5147

Grill up delicious meat and veggie kabobs with these sleek stainless steel skewers! These skewers have a wider, flat design that helps to accommodate larger cuts of meats and vegetables while preventing food from spinning. Built-in looped handles make them easy to hold. 12.5 in. x.5 in. Set of 6.

B - Skewer Express™ Easy Kabob Loader – CC2030

Make six kabobs in seconds! This kabob loader makes it faster, easier, and less messy to put together delicious kabobs for the grill. The kabob loader base features six channels to hold ingredients for your meal in place, [then guide you so you can skewer through the center all at once.] Loader also makes it convenient to sprinkle on spices or drizzle on marinade, catching any excess. Includes 6 stainless steel skewers.

C - Himalayan Salt Cubes & Skewer Kabob Set – cc6069

Cook your kabobs more quickly, more evenly, and with even more flavor! This skewer set with Himalayan salt cubes will help you grill your best kabobs yet. Thread these salt cubes onto your skewers along with your ingredients; the shape of the cubes will elevate your kabob off of the grill surface, promoting even cooking. Even better, as the salt cubes heat up, they act as conduits for heat and speed up the cooking process. All the while, the salt cubes transfer their rich, subtle salty flavor to the other ingredients on the skewer. It's perfect for cooking moist and flavorful chicken, beef, or other meats.

D - The 360° SkewerTM -CC5168

Kabobs are an international delight and a staple of any barbecue experience. Traditionalists make theirs with meat, veggies, and seafood, while the more adventurous go for brownie bites or marshmallows. Whatever your preference, simplify your next kabob session with the 360° SkewerTM. One click of a button on the handle rotates the kabob 180° while another click gets you full circle. - Innovative and specialty tools for the gourmet griller
- Classic tools make up the foundation of a good grilling program
- Available as open stock or as sets

A - Slash and Serve® Meat Claws - CC1132

These heavy-duty stainless steel meat claws are designed for handling larger pieces of meat such as roasts, turkeys, chickens, and hams. Slide your fingers between the blades for a firm grip and shred a smoked pork butt into pulled pork in minutes.

B - Cast Iron Grill Marks Press - CC5159

Using a grill press during the high heat of grilling locks moisture into meat, making food succulent. Our cross-hatched grill press is heat-conducting, heavy cast iron designed to give you beautiful grill marks with ease. The cast iron handle provides a sure grip and plenty of leverage for laying on the most impressive crisscrossing lines!

C - Stainless Steel Griddle Spatula - CC1091

Whether you're cooking them on the grill or on the griddle, grilled cheese sandwiches are a family favorite. This specially-designed spatula will help you cook your sandwiches evenly, making flipping a whole sandwich at once as easy as a flick of the wrist! The wide-angled spatula head slides underneath a whole sandwich, while the short, strong handle gives you the leverage for a quick and easy flip.

D - Cast Iron Grill Presses - CC5023, CC5024

Cast iron grill presses have a raised ridge pattern on the bottom. Great for getting good contact with the grill for impressive grill marks. Pre-seasoned.

E - Oval Pro Chef™ 3PC Tool Set with Tote - CC1093

Grill your favorite foods with these essential grilling tools, and then tuck them away in the included tote. The Charcoal Companion® Oval Pro Chef™ 3PC Tool Roll features a spatula, set of tongs, and a basting brush so you can start grilling right away. The grilling tools are made of polished stainless steel and will last through many grilling sessions, while the stylish, durable tote is made of sturdy waterproof canvas. The tote easily snaps shut and also includes hanging holes for simple storage.

Enameled Grill Dome 🚷

Grill the juiciest food on the block with this grill dome! Perfect for melting cheese onto burgers without overcooking the meat. The dome captures and reflects heat onto your burgers, steaks, chicken, or veggies to decrease cook time, reduce flare-ups and infuse your food with more smoky flavor. Features a silicone handle heat safe to 500°F (260°C). Can also be used indoors.

CC5169 - case / 6 10 in. diameter Silicone handle Packaging - hang tag

Flavor Made Easy

- Add flavor and moisture by injecting meat with marinade, brine, or basting liquid
- Essential tools for successful frying

A - Stainless & Soft Grip Marinade Injector — CC5160 Infuse your meat with flavor and moisture in less time than it takes to marinate it! This marinade injector includes two tips for different kinds of marinade: a single-hole needle tip for thicker marinades, sauces, or pastes, and a multipinhole tip for thinner marinades, brines, beers, or wines. When not in use, clip your needle tips to the injector's cap for easy storage.

B - Stainless Steel Deep Fry Thermometers

C - Stainless Steel Deep Fry Skimmers

D - Stainless Steel Marinade Injector — CC5112

Made of all stainless steel, this marinade injector is serious business! Injector features two handles to help keep a steady grip while pushing marinade into poultry or other meats. Needle design resists clogging.

E - Plastic Marinade Injector with Large Handle — CC5034

Large handle makes it easy to plunge basting liquids through the clear vial. Stainless steel needle design resists clogging.

Tech the Temp

- Accurate readings are essential when cooking meats, leave out the guesswork!
- Monitor internal or ambient temperatures
- Units feature analog or digital displays

A - Dual Temperature Thermometer-CC4131

The thermometer gives precise readings of your meat as well as the ambient temperature of your grill, oven or smoker. The larger dial shows the internal temperature of your meat, while the smaller dial displays the temperature of your cooking environment. The Charcoal Companion® Dual Temperature Thermometer is made of stainless steel with a silicone sleeve and shows recommended temperatures for your poultry, pork, beef and lamb. For beef and lamb, it also includes temperature ranges for rare, medium and well done. To use, insert probe point into the thickest part of the meat. You'll get a reading in about 20-30 seconds.

B - Dual Temp[™] Digital Thermometer – CC4146

This ingenious thermometer does it all! The Dual-Temp™ Digital Thermometer measures food and oven or grill temperature at the same time. Unit also features an alarm to indicate when temperature and correct set time have been reached, as well as a large-digit, back-lit LCD display and easy-to-clean touch control pad. Folds flat for storage or oven use. Uses two replaceable AAA batteries (not included).

C -Digital Grill Station-CC4147

Cooking temperatures and time vary for every type of meat – making it a real challenge for the griller to cook various cuts at the same time. The Digital Grill Station meets this challenge with a high tech solution. The battery-operated unit has four color-coded probes to monitor the internal temperature of four types of meat at once. Pull each cut from the grill when the LCD screen reads the preferred doneness.

D - Flip-Tip[™] Digital Thermometer – CC4075

The Flip-Tip™ Digital Thermometer features an adjustable silicone depth gauge, allowing consistent placement of the thermometer probe for more accurate readings throughout the cooking process. The folding probe locks into multiple angles for easier monitoring and closes flat for convenient storage. Monitors temperatures from -58°F to 572°F (-50°C to 300°C). Reads temperature in six seconds. Uses two replaceable AAA batteries (not included)

Clean it Safely

- Safe scrub brushes are safer than traditional wire brushes: they're designed to pass easily if accidentally ingested
- Safe for stainless-steel, porcelain, or cast iron grill grates
- Safe new design, same performance you expect from a grill brush

A - Safe Scrape & Scrub™ - CC4156

Get a custom cleaning with the Safe Scrape & Scrub with a Strong Grip Handle! The wooden side of the grill brush contours to your grill with every cleaning, ensuring an effective custom clean. The high heat nylon bristles are safe up to temperatures of 400° to brush off left over grease and grime.

B - Safe-Scrub™ Sustainable Bamboo Grill Brush – CC1100

Harness the power of natural, durable bamboo and palmyra stalk to get your grill sparkling clean! This grill brush is made out of sturdy and eco-friendly bamboo, and features all-natural palmyra stalk scrubbing bristles – which are safe even on porcelain grates! A longer-length handle and comfortable wrapped-cord grip give you a firm hold and extra leverage while scrubbing.

C - Safe Scrape[™] – The Non-Bristle Grill Cleaning Tool! – CC4120

Give your grill a custom clean! This wooden scraping paddle removes debris from grill grates, while the heat and pressure from cleaning slowly shape your paddle so that it fits the grate perfectly. The more you use it, the better it works!

E - Spiral Wire Safe-Scrub™ Grill Brush – CC4160

This durable yet flexible plastic grill brush allows you to get between the grill grates for a more thorough clean. The twisted design of the brush head helps prevent bristle loss during cleaning while the nylon bristles reduce the risk of contamination. The 10" brush handle keeps you at a safer distance from a hot grill and also provides room for a second hand grip for better leverage. It's even safe to use on porcelain grill grates.

E - Dual Handle Safe-Scrub™ MEGA MONSTER Brush™ - CC4128

This monster of a grill brush stacks dirty grill grates with gusto! This is a powerful tool for cleaning grill grates quickly and easily. Its oversized head tackles wider swaths of the grill grates than typical grill brushes. We're sure you'll love our Safe-Scrub™ brushes as much as your grill does!

SAFE-SCRUB™ BRISTLES

Keeping a clean grill is essential to good grilling. Dirty grill grates can contaminate food with unwanted flavors and bits of debris. Scrub the gunk away with Safe-Scrub™ Grill Brushes!

Diamonds are a grill's best friend

Diamond-based coating helps clean without damaging surfaces

Get rid of the grime

Nylon bristles with twisted design are strong and pliable

Long Lasting

Keep clear of active heat sources (burning gas grills or hot coals) to ensure a long life for your brush

Good for the Earth

Bamboo and Palmyra are sustainable materials that rarely need replanting and promote healthy ecosystems

All the Trimmings

- Outfitting the outdoor grill space
- Easy to light charcoal accessories without chemical lighter fluids
- Heat protection because playing with fire doesn't have to mean getting burned

A - Fire UP[™] Charcoal Starter Wand – CC4110

This Charcoal Starter Wand is an environmentally friendly way to ignite your charcoal without using toxic lighter fluid! The high-heat, fast-start wand can light charcoal briquettes, wood chips, chunks, or pellets with ease. Two simple switches take your charcoal from cold to smoldering in a matter of minutes: the heat setting ignites, while the blow setting distributes the flames to unlit material.

B - BBQ Grill Splatter Mat - For Gas Grills - CC4511

This black grill mat is the perfect way to protect your deck or patio while you're cooking on the grill! The mat's flame-resistant fibers help prevent stains on your deck caused by accidental spills from your grill. The PVC backing gives the mat a non-slip grip. Your outdoor flooring will be kept cleaner and safer when you have this protective mat between it and your hot grill!

C - Silicone Glove - CC5154

This silicone glove is perfect for handling both hot tools and hot food on the grill. Move grids, baskets, and woks with assurance, or shred piping hot pork shoulders and take beer can chickens off the can! The glove is light and flexible for dexterity, can withstand heat up to 475°F (246°C), and can be worn on either the right or left hand. The silicone material and raised ridged texture make your grip secure.

D - Charcoal Ash Scoop - CC5167

Make clean up easy with the Charcoal Companion® Charcoal Grill Scoop. The scoop allows you to safely and easily clean charcoal remnants and ash from the bottom of your grill. The Charcoal Grill Scoop features a high heat coating to allow one to remove any loose charcoal briquettes.

E - Insulated Food Gloves - CC5152

Use insulated food gloves for shredding piping hot pork shoulders, taking beer can chickens off the can, and removing hot foods from the grill. Our gloves are light and flexible for dexterity and well-insulated to shield hands from the heat. Sold as a pair. Heat safe up to 248°F.
